Copies of the September meeting's minutes, along with the proposed reunion information to be uploaded and posted live, were distributed to each member. The minutes were not in need of revision. As for the 50th reunion information: Larry motioned that the proposed 'Early Bird' pricing be set at \$80 if paid by April 30, 2020, 'Regular' pricing be set at \$90 if paid May 1, 2020-May 23, 2020, and 'At the Door' pricing be set at \$100 if paid May 24, 2020-May 30, 2020. Rick seconded the motion. The committee voted unanimously in favor of the pricing.

Larry motioned that there be a \$20 cancellation fee up to May 22, 2020 and also proposed that there be no cancellation possible after that time. Rick seconded the motion. The committee voted unanimously in favor of the cancellation policy.

Butch read an email from Shellie Bowman (Liles) with questions about additional topics to be discussed at future planning meetings. Jennifer read an email from a younger MacArthur graduate about topics to be discussed at future meetings. These topics revolve around: music, photographers, campus visit, décor, group BBQ/tailgate party, t-shirts for events, groups going to the river walk or Pearl, volunteers/donors for services or items.

Upon deciding a date for the next committee meeting, and upon reviewing the minutes from the August meeting at the Petroleum Club, it was decided we would meet Saturday, December 7, 2019 at Chester's, Hollywood Park in order to confirm the menu so it can be set prior January 1, 2020 in case of possible price increases.

The meeting adjourned at 12:45 p.m.
