

Mac Reunion Committee Meeting

Thursday, April 2, 2020

4:00 p.m. via Zoom Video/Chat

Attendees:

Rick Sartor, Butch Gerfers, Kay Brooks (Judkins), Jennifer Sonnen (Zimmerle), Paula Ernst, LaVerne Blaschke (Dysart)

Previous to the meeting, Butch had submitted a survey for committee members to come to a consensus on the best feasible date from a list provided by Steve Hart from the Petroleum Club. The Saturdays from October 3, 2020 to November 28, 2020 were considered. Some were not available because the Petroleum Club was already booked or was closed (Oct 17th and Nov 28th). Other dates were ruled out due to the NIOSA/ Fiesta events that have been rescheduled.

Surveys were reviewed from a few members not present along with input relayed from our Friday night host, Ken Lawrence. The group decided that the best date for the Saturday, Petroleum Club event would be Saturday, October 24, 2020. Paula made a motion that we accept this date. Kay seconded the motion.

Butch indicated that he would contact Steve Hart as soon as the meeting concluded. He also said he would notify Ken that the Friday night venue at Bracken Store & Ice House would be locked in for October 23, 2020.

No decision on when the next meeting would be, whether via Zoom or at Chester's at a later date. The meeting was adjourned at 4:25 p.m.
