

Mac Reunion Committee Meeting

Saturday, November 7, 2020

11:30 a.m. via Zoom

Attendees:

Rick Sartor, Butch Gerfers, Shellie Bowman (Liles), Richard Miller, Jack Bush

The meeting began at 11:39 and the first order of business was a motion by Shellie to accept the minutes from the August 22nd meeting. Rick seconded.

Butch then informed those present what he had learned from Steve Hart concerning locking in the date with the Petroleum Club. He was able to reserve the date of our first choice. The price increase would not be known until after the first of January 2021.

The outing at Ken Lawrence's Bracken Store & Ice House on Friday, October 23rd was reviewed. Attendees were Larry & Cindy Armstrong, Pat Clarkson, Jim Starr, Kay Brooks (Judkins), Butch & Nancy Gerfers, Jennifer Sonnen (Zimmerle), Pam Sholund & John Bearor, and of course, Ken Lawrence. Butch suggested meeting quarterly at Ken's place the first Friday evening of each quarter in place of the Tuesday or Saturday luncheon at Blanco BBQ. However, because the first Friday in January 2021 is January 1st and is New Year's Day, he proposed Friday, January 8th. Butch will be in communication with Ken to confirm the plan.

Butch relayed to those in attendance at this meeting that he had the VHS videos of the 20th and 30th reunions digitized and will soon post these on our website for classmates to see. Shellie inquired whether we would be video recording the "50 + 1" Reunion. It was agreed that it was a good idea to do so. Shellie then asked for a review of the dates for the reunion. Butch said our Friday night event at Bracken Store & Ice House would be held on May 14, 2021 and the Saturday night event at the Petroleum Club would be held on May 15, 2021.

Butch felt there was no need for a committee meeting until February and thought the Zoom meetings were appropriate and a good thing for those who are not local, such as Jack in Chicago or Shellie in Houston, for example, who would not be able to attend otherwise. It was decided the meeting would be held Saturday, February 13, 2021 @ 11:30 a.m. via Zoom.

The meeting was adjourned at 12:01 p.m.
